

The background of the entire page is a complex, wavy, grid-like pattern. It consists of a series of thin, light gray lines that intersect to form a grid. This grid is not flat; it is distorted and wavy, creating a sense of depth and movement, similar to a topographical map or a liquid surface. The lines are more densely packed in some areas and more spread out in others, creating a sense of undulating terrain.

**HOST HOME INFORMATION**

# TO OUR HOST HOMES,

I am so grateful for you, and I want you to know that I am praying for you this weekend! My prayer is that you will see God do abundantly more than ever before. Faith Promise's theme for 2020 is "ALL IN" and by opening up your home you are living out this theme! **I want you to know, this weekend, you are doing more than just providing a roof over our student's heads, you are providing a place for God to heal, restore, and raise up this generation of students.** Because of your willingness to step in, generations will be changed. Family curses will be broken. Students far away from God will enter into a relationship with Him and all of this could happen in your living room this weekend! I love you so much and can't thank you enough for taking time to pour into the next generation and being ALL IN with this movement of God! We COULD NOT succeed without YOU!!

Father,

We come together as one heart – I am asking you God for a fresh revelation of our calling in you. Thank you for sending your Son to make a way for us. We come to you praying for boldness to light the way. Thank You God for how You're going to move, save, redeem, restore and deliver this weekend. We ask right now for a hedge of protection over each and every home. We are confident that You are going to move in living rooms, dining rooms, bedroom floors and porches. We beg for Your intervention and surrender right now to the work You have planned. I ask that You return to those who are sacrificing ten-fold the blessing they are pouring out for this weekend. Father, I ask a special blessing over families while they are apart and while their homes and routines are disrupted, and I know that a supernatural provision for their families is ahead. I speak a spirit of protection over each leader and student and bind the enemy in the powerful name of Jesus – confident that there is nothing that can overcome Your church and Your will for this weekend. Thank you, God, for creating them for such a time as this – we know we are not here by accident, but by divine appointment. Thank You for the harvest that is coming and for allowing us into your presence.

Believing You for a powerful move!

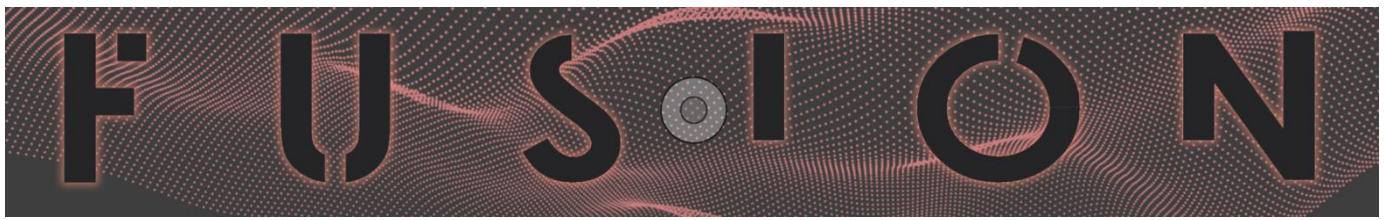

Amen

# GUIDELINES FOR HOST HOMES

1. Try to provide a separate place in your home for the Fusion leader to sleep, separate from the students. This will help him or her to be fresh for leading the group.
2. The students will bring sleeping bags, so don't try to provide them all with a bed. All homes will be the same gender and same grade, with their official small group leader or leaders.
3. At the onset of the weekend, help the group understand your expectations clearly while in your home. Specifically, tell them where they may eat, which bathrooms are to be used by whom, areas of the house that are off limits, and any other house rules that you wish to enforce. Also be sure that you go over these rules with the group leader. It's a good idea to have a home meeting right at the beginning of the weekend once everyone arrives.
4. You are responsible for helping with discipline in your home. It will be very difficult for the group leader to be effective if he or she has to be the primary disciplinarian. Encourage the students to go to bed. They love to stay up, but it is extremely important that they are alert for the Bible Study Sessions.
5. You may participate in as many of the large groups sessions as you wish, which will help you feel more a part of the group.
6. While leaders are responsible for getting your students to and from events, we would appreciate your help assisting in transportation! Please be in contact with your leader to assess the transportation situation and let us know if you cannot help with transportation.
7. Be in prayer for the Fusion small group leader and the group of students who will be in your home.
8. If you provide transportation, please do not allow students to take luggage into the church. They will come to the car after service to get their belongings with their parents.
9. The leaders will find out medical concerns and medications needed at the onset of the weekend. If you would, please help make sure that all students take any medication they are prescribed for the weekend. It won't be a fun weekend unmedicated.
10. Lock up any guns, knives, or weapons before the students arrive.

# FUSION RULES

**These rules are designed to ensure that all participants have a safe and enjoyable time at Fusion Weekend. Any students who choose to not follow these rules may be sent home.**

- Rule 1:** The Host will determine the rules for their home. Students must follow these rules at all times and remain respectful.
- Rule 2:** The Small Group Leader has the ultimate authority for behavior in the home, so listen to them. Lights out means lights out.
- Rule 3:** Tell the Small Group Leader of any medical issues at the beginning of the weekend, and give them any necessary medications needed for your student.
- Rule 4:** Students are not allowed to leave the Host Home without a signed Time Out Card that has been turned in at drop off.
- Rule 5:** Students must participate in all activities during the weekend.
- Rule 6:** Any student found with prohibited items will be sent home immediately.
