

## **ALL IN Week 3 – Breaking of Bread**

### **Life / Intro Questions**

- Have you read the Word more this past week?
- How has it made you feel?

### **Connection Question**

How many of you when you have dinner at night actually sit down at a dinner table with your family and talk about the day while you're eating all together? If you don't do this, is this something you wish happened? Why or why not?

### **Sermon in a Sentence**

Jesus is the bread of life.

### **Church Value**

We Serve Others

### **Scripture**

- **John 6:26-59** Because this is a long passage, we recommend looking it up on the YouVersion app on your phone and using a translation designed around easy readability, like the New Living Translation (NLT) for older students or the New International Reader's Version (NIRV) for younger students. You could also have students take turns reading through the passage or read through it in sections.
- What is Jesus saying in this scripture?

### **Discussion Questions**

- Have you ever thought something was God but realized it wasn't?
- How does God demonstrate real love?
- Why do we say "Real people, real problems, real love"?
- What do you think your God given purpose is?

### **Life Application**

We want students walking away with 1 or 2 things they are going to do SOON to apply what they discussed.

- How can I depend on Jesus when I come face to face with the things I struggle with? How do I make Him the bread of my life?
- Take practical steps to realize your purpose and potential.
- Am I willing to be broken in order to be made whole?

### **Take It Out**

- Close small group out with prayer requests.
- Remind your students that Fusion starts on Friday night – they need to meet at your host home at 6:30 PM.
